Dear Mr. Martin,

Music Celebrations International extends an official invitation to the *Hilliard Darby High School Choir* to participate in the *National Memorial Day Choral Festival* in Washington, D.C., to take place May 27 - 30, 2011. We are proud to join with the Mayor of Washington, D.C. and the **American Veterans Center** in extending this invitation.

Music Celebrations is pleased to create and organize a Choral Festival in our Nation's capital that honors those veterans past and present who have sacrificed so much for the liberties we currently enjoy in our country – as well as around the world. Current plans for the setting for this commemoration will be the *Concert Hall in the John F. Kennedy Center for the Performing Arts* under the Artistic Direction of *Dr. Craig Jessop*, Professor of Music and Head of the Department of Music at Utah State University.

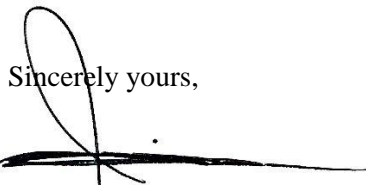

Not merely a festival for Washington, the *National Memorial Day Choral Festival* is an event for the entire country – a major event which seeks to draw the attention of Americans to the real meaning for the holiday: Honoring the men and women who have served, and died, to preserve our liberties.

Music Celebrations International personnel have been organizing concert tours and festivals of exceptional quality throughout the world for over 25 years. Our professional and experienced staff will handle all of your travel arrangements and accommodations down to the last detail. Rest assured that the prices we offer cover the cost of everything that will enable your group to have a successful and memorable concert tour experience.

I am very excited about the musical stimulation this festival will undoubtedly provide — just the kind of experience that raises the level of musicianship and dedication to the performing arts for all participants. This is the life-changing focus of Music Celebrations.

Please call on us for any reason. We look forward to associating with you in this special performance opportunity.

Sincerely yours,

John P. Wiscombe
President
